This production will involve considerable commitment from you. ZEST will be investing a large amount and in addition many other members will be investing a great deal of their own time. Therefore, we ask that you understand and agree with the following points:

- ZEST is an amateur group and none of the cast is paid. Some travel expenses can be reimbursed in accordance with [thezest.ch/travel-expenses](http://thezest.ch/travel-expenses).
- Unless otherwise agreed beforehand, you will attend all rehearsals.
- We have no understudies. You must advise us immediately if your health or other situations change your ability to participate in the production.
- You agree to be photographed, videotaped, and interviewed for publicity materials.
- If not already a ZEST member, you will become one. The Membership Secretary will send you details, if cast.
- Policy for actors stage combat and intimacy:
  - All physical contact between actors must be blocked by a member of the creative team (director, fight choreographer, AD, etc.).
  - No scene involving physical contact can be rehearsed without the presence of a member of the creative team.
  - Changes to those scenes without express permission from a member of the creative team are grounds for immediate disciplinary action, such as exclusion from further productions.
  - If anyone has any concerns, they can be expressed in strictest confidence to any committee member anonymously and will be fully supported and acted upon.

**Non-members are encouraged to audition.** If you are not cast, please consider volunteering to work on a crew.

Please complete one audition form for each production that you wish to audition for. For Theatre Lab, each individual short play is a different production. If possible, please submit a digital audition form via the links on [thezest.ch](http://thezest.ch) rather than printing and scanning this form.
